**The Product Development team has added these new fit applications and/or products to our towing line.**

Introducing the NEW Blue Ox Receiver Hitch. Our custom-designed receiver hitches are engineered to meet the unique specifications of your vehicle’s make and model, enhancing towing efficiency while elevating the look of your vehicle. Experience the pinnacle of protection with our “Premium textured black Powder Coat over e-Coat” designed to shield against rust and corrosion. Adherence to the rigorous SAE J684 standards is a hallmark of our commitment to quality. We stand behind our robust limited lifetime warranty, supporting you for countless miles to come. Our hitches often include a wiring plug mounting bracket for quick installation.

## Blue Ox® Towing Products

The brand-new Blue Ox Patriot Flat Towing Brake has arrived! With the same all electric-self-contained and tankless design as its award-winning predecessor, the new Blue Ox Patriot BRK2022 has a smaller profile to fit more vehicles (8 X 7.5 X 11.5 vs 9 X 10 X 12), lighter (6.2 lbs. vs 9.5 lbs.), and faster (reduced actuator to pedal time). It works on all flat towable vehicles, including hybrids. Includes RF controller, break-away, and a two-year warranty.

BRK2022 Patriot Brake System MSRP \$1,780.90 **NEW!**  
 Kit includes: brake, RF controller, and break-away

# Product Bulletin

**Log Number:** PB210  
**Subject:** New Fits  
**To:** Valued Blue Ox Dealers and Distributors  
**Date:** June 2<sup>nd</sup>, 2021

**The Product Development team has added these new fit applications and/or products to our towing line.**

Introducing the new TrackPro and 2-Point universal bracket kits. The new kits will replace the existing bracket kits for both the TrackPro and 2-Point Hitches. These kits will allow for easier installation and hook up as the backing plate is now interchangeable and can be used on either the driver side or passenger side of the trailer.
